25-3.0	REPORTING ITEMS / ITEMS FOR RATIFICATION
	Items for reporting/ratification on approval of Deans Committee by the University during the Intervening Period
25-3.1	<p>To report CUCET-2021</p> <p>It is to mention that the following matter was placed before the 77th Deans' Committee held on 30th July, 2021 for information and request to all Schools to commence the preparation:</p> <p>“CUCET is being organized this year with Central University of Punjab as Coordinating University for admissions to UG/PG programmes. CURAJ is participating in the consortium and has been entrusted with the responsibility of preparation of question papers.”</p> <p>Discussion: The National Coordinator for CUCET Prof. Shrimali apprised the members that the CUCET 2021 is being conducted by NTA. It is expected that computer based admission tests may be conducted in mid-September.</p> <p>Resolution of 77th Deans' Committee: The members noted the status. It was decided that the Deans and Heads of all the Departments will ensure updating of the website with respect to their School/ Department including their e-prospectus. In addition, the admission committees will be constituted by respective Departments.</p> <p>On the basis of above mentioned resolution, the website was updated and admission committee as per the ordinance of the University was constituted for admissions.</p> <p>Placed before the Academic Council for information.</p> <p>Resolution: Noted.</p>
25-3.2	<p>To report the calling of Ph.D. Scholars and Project Fellows</p> <p>It is to mention that the following matter was placed before the 77th Deans' Committee held on 30th July, 2021 for consideration:</p> <p>“It is proposed to call the Ph.D. scholars and Project Fellows in a phased manner with effect from 5th August 2021.”</p> <p>Discussion: Dean Academics described the detailed phase wise schedule planned for calling the Ph.D. scholars and Project Fellows. In each phase, about 70 Scholars are being called. It was pointed out that the batch admitted in 2020 is called in second phase so that they could interact with their guides, finalise synopsis and decide the future course of action. Dean, School of Life Sciences (LS) mentioned that there may be 3 or 4 scholars in their school whose work is near completion and if they could also be called in second or third phase it may help them complete their work and move out. It was suggested by the Dean Academics that there is a minor difference in the time slots and from the perspective of logistics, it may not be proper to increase the batch size. However, if the Dean LS is convinced of the circumstances in a few rare cases, he could move such individual cases for special permission with specific recommendations after detailed scrutiny. The conditions of minimum one vaccine shot and RTPCR and other guidelines related to isolation period etc. were also discussed briefly.</p> <p>Resolution of 77th Deans' Committee: After detailed deliberations as described above, the Committee approved the phased programme of calling of the scholars. It was also decided that it will not be a compulsion on part of the scholars to come to campus. It was also decided that the general instructions / guidelines prepared by Proctor may be circu-</p>

	<p>lated for information of all stakeholders.</p> <p>On the basis of above mentioned resolution, the Scholars were reported in campus in phased manner.</p> <p>Placed before the Academic Council for information.</p> <p><u>Resolution:</u> Noted.</p>
25-3.3	<p>To report the Extension of MoU between CURAJ and UNIVERSIDAD AUTONOMA DE NUEVO LEON, Mexico.</p> <p>It is to mention that the following matter was placed before the 77th Deans' Committee held on 30th July, 2021 for consideration: “A MoU between CURAJ and UNIVERSIDAD AUTONOMA DE NUEVO LEON, Mexico existed from July 2015 to July 2020 resulting in a number of successful outcomes. MoU expired in July 2020 but looking at the successful cooperation, the Mexican collaborator has desired to extend this MoU for next five years to promote academic and research exchange between both the Universities.”</p> <p>Discussion: It was suggested by Dean (Research) that University must consider to renew only ‘active’ MoUs that demonstrate some outcomes. It was also suggested that the respective department or the faculty concerned must play a proactive role and move for renewal well before the expiry date. The communications received from the Mexican Collaborator was discussed and it was noted that substantial work has been done under the MoU.</p> <p>Resolution of 77th Deans’ Committee: After detailed deliberation, Deans’ Committee approved the further extension of the MoU.</p> <p>It was further resolved that in order to further streamline the processes related to collaborations and MoUs, Dean ARCI will be the Nodal Officer. All matters related to MoUs will, henceforth, be dealt in the office of Dean ARCI. The new MoUs will be processed by this office and placed before the Competent Authority for approval.</p> <p>On the basis of above mentioned resolution, the MoU is extended to be valid for five more years i.e. up to July 2025 as per the clause of the MoU.</p> <p>Placed before the Academic Council for information and ratification.</p> <p><u>Resolution:</u> Noted and ratified by the Academic Council.</p>
25-3.4	<p>To report the Future course of action for calling the students/opening of campus</p> <p>It is to mention that the above said agenda item was placed before the 78th Deans' Committee held on 1st October, 2021 for consideration:</p> <p>Discussion: Keeping in view the reduced capacity of the hostels due to single seater rooms, it was suggested that the HoDs and Deans must endeavour to complete the laboratory related teaching and CIAs for all courses in offline/online mode by 30th of October. Deans agreed that it may be possible to plan for completion of basic practical works in this period. In this manner students who go back home for mid-semester vacation need not return immediately. This will help invite students of 3rd, 5th and 7th semesters of integrated programmes and other UG programmes like B.Tech. This will facilitate students who wish to go during mid-semester vacation.</p> <p>Resolution of 78th Deans’ Committee: After detailed deliberations as described above,</p>

	<p>the Committee decided that the students who have been called between 15th - 30th September 2021 may be asked to leave the hostels/campus in phased manner between 30th October and 15th November. It was also decided to open the University campus for all students who wish to pursue studies in face to face mode, as day scholars.</p> <p>For the forthcoming batches of new admissions, the hostel accommodation to the students cannot be assured and as such modalities for allotment need to be worked out and informed to prospective students. It was also decided that the Dean Academics may take a final call in the matter and device a phased programme of calling other students to the campus.</p> <p>On the basis of above mentioned resolution, campus was opened for all students on day scholar basis from October 08, 2021.</p> <p>Placed before the Academic Council for information.</p> <p><u>Resolution:</u> Noted.</p>
25-3.5	<p>To report the Admission for Integrated/PG programmes for the Academic Year 2021-22</p> <p>It is to mention that the above said agenda item was placed before the 78th Deans' Committee held on 1st October, 2021 for consideration:</p> <p>Discussion: It was shared by Dean Academics that possibility of using the available SAMARTH portal was explored. However, as per the feedback received about response time to customize the same as per University's requirement that it may not be practical to process admission counselling through Samarth. The members were apprised that central admission committee had accordingly proposed to procure customized software that could be managed / modified and used even after this year's admissions. Dean Academics shared that the cost of software may be around Rs. 70 to 75 thousand.</p> <p>Resolution of 78th Deans' Committee: After detailed deliberation, Deans' Committee approved the procurement of the software and also suggested that while obtaining quotes, a clause may be added that the vendor will give service for admissions to UG/PG programmes in the current academic year as part of the package.</p> <p>On the basis of above mentioned resolution, the Software was purchased by the University and admissions to UG/PG programmes for 2021-22 were done by the vendor.</p> <p>Placed before the Academic Council for information.</p> <p><u>Resolution:</u> Noted.</p>
25-3.6	<p>To report the Re-opening of the University</p> <p>It is to mention that the following matter was placed before the 79th Deans' Committee held on 15th February, 2022 for consideration:</p> <p>"Looking at COVID pandemic and the various Central and State Govt. guidelines, the students were asked to vacate the campus. 3.	Student Information Management	12.	Training and Placement
4.	Academic Management	13.	Online Dashboard for Staff/HOD
5.	Fees Management	14.	NAAC/NIRF/IQAC SSR related Module
6.	Transport Management	15.	Online Dashboard for Management/ Admin (MIS)
7.	Hostel Management	16.	Student Feedback
8.	Staff Information	17.	Online Dashboard for Students/ Mobile APP
9.	Staff Attendance Management		

Further, it is to mention that the University has constituted a committee for implementation of ERP in University of the following members:

1. Dr. Muzzammul Hussain – Convener
2. Mr. Gaurav Meena – Member
3. Mr. Mohit Jamer – Member

The above mentioned committee will work for the purpose of implementation of ERP software including identification of users, providing access, data identification, data formats of requirement of any user, uploading and any other related tasks for smooth running of ERP. The committee will work as facilitator between the ERP vendor and various Departments/Sections/Cells/Offices of the University.

Placed before the Academic Council for information.

Discussion: During deliberations in the meeting, Hon'ble Vice Chancellor briefed on the benefits of implementing ERP and it was informed that the structural data (hostels, academic programmes/courses, fee structure etc.) has been already collected/created and entered into the online ERP facility and the ERP software is in beta testing phase being done with the vendor. Online ERP will soon be available to the University and it will be highly beneficial for University administration as well as to the students. Further, mobile application for its ease of operation/use is developed and named as "DARPAN".

Resolution: Noted.

25-3.24 To report the proposal of establishment of Tier-4 Data Centre

A Type 4 data center is a highest class data center with redundant and dual-powered instances of servers, storage, network links and power cooling equipment. It is the most ad-

	<p>vanced type of data center type, where redundancy is must for every component. When something fails, IT operations are not affected. These facilities also require continuous cooling for a stable environment. Expected uptime: 99.995%, or 26 minutes per year.</p> <p>Type 4 data centers must meet the following criteria:</p> <ul style="list-style-type: none"> • 99.995% Uptime – Sometimes referred to as the four 9’s, Type 4 facilities have 99.99% availability and often reach 100% uptime year after year due to their highly redundant power infrastructure. • 2N+1 Redundancy – The 2N+1 model provides double the operational capacity (2N) with the extra backup component (+1) in the event of failure while the data center uses the secondary system. • Fault Tolerant – With every process being fully redundant, there is no single point of failure. All IT equipment must follow a fault-tolerant power design. • 96 Hour Outage Protection – The data center must have the capacity for four days of independent power not connected to any outside source. • Continuous Cooling – The data center environment must remain at an ideal temperature for maximum efficiency and to extend the lifecycle of hardware. <p>Major modules of Data Centre:</p> <p>In the world of enterprise IT, data centers are designed to support business applications and activities that include:</p> <ul style="list-style-type: none"> ▪ Email and file sharing ▪ Productivity applications ▪ Customer relationship management (CRM) ▪ Enterprise resource planning (ERP) and databases ▪ Big data, artificial intelligence, and machine learning ▪ Virtual desktops, communications and collaboration services <p>The proposal of establishing the tier-4 Data Centre was approved by the Executive Council meeting in its 46th meeting held on 23.03.2022.</p> <p>Placed before the Academic Council for information.</p> <p><u>Resolution:</u> Noted.</p>
25-3.25	<p>To report the establishment of Dr. Ambedkar Centre of Excellence in Central University of Rajasthan</p> <p>The Ministry of Social Justice and Empowerment decided to start Dr. Ambedkar Centre of Excellence (DACE) in 31 Central Universities. DACE aimed at provides coaching facilities to Scheduled Caste (SC) students for civil services exam. The centres are being set up in 30 Central Universities where 100 students in each will be getting coaching classes from experts and renowned professionals. Ministry of Social Justice and Empowerment, through Dr. Ambedkar Foundation, New Delhi will provide ₹75 lakh annually to each Central University for smooth functioning of the centres.</p> <p>For this, Central University of Rajasthan has submitted an Expression of Interest vide its letter No. CURAJ/R/F.133/2022/2271 dated 25.01.2022 and University has been selected to establish this centre. Accordingly, two Memorandum of understanding (MoU) were signed and exchanged on 22.04.2022 between the Dr. Ambedkar Foundation, New Delhi and university for setting up the DACE and Dr. Ambedkar Chairs.</p> <p>Dr. Sheetal Prasad Mahendra was appointed as Coordinator of this Scheme. Accordingly, University has conducted the entrance exam for selection of candidate for coaching and 51 candidates were selected. Inauguration of this centre was done on 01.10.2022. Appointment of Faculty Resource Person for Dr. Ambedkar Centre of Excellence (DACE)</p>

purely on Contractual Basis is under process.

Placed before the Academic Council for information.

Discussion: The establishment of DACE was apprised during the meeting and has been already functional. It was also apprised that appointment of staff and allocation of dedicated space for functioning the DACE be completed soon. It was mentioned that establishment of DACE will not only bring additional fund but also it will benefit the SC students by coaching for competing the civil services examinations.

Resolution: Noted.

25-3.26 To report the implementation of Centralized Examination System

It is to mention that the responsibility of conducting examinations and evaluations were given to the individual departments which were leading to delay in declaration of results. Accordingly, to Streamline the procedure of examination and evaluation, a new system was introduced where in Controller of Examination was entrusted the responsibility of conducting centralized examination and evaluation. Accordingly, CoE has presented shortcomings/demerits of existing system, experiences in assessment, declaration of results and proposed new system of conduct of examination and assessment.

In the new system, admit cards were issued by the CoE office to all eligible students, mentioning the time table of exam. Question papers were collected from respective course instructors and moderation of the same was done on random basis. The final question paper were printed and sealed in envelop and the same was distributed to the invigilators on the same day of exam. Invigilation duties were assigned randomly at centralized level. The copies were collected and deposited at centralized place in custody of COE office. Evaluation by the course instructor is also being done at centralized place under supervision of CoE.

End Semester Examination for October, 2022 (Even Semester, Batch -2021-22) and December, 2022 (Odd Semester, Old Batches) had been conducted and evaluated as per new system. Further, it is worth mentioning that results of ESE, October 2022 were declared within 10 days of completion of examination, due to implementation of new system. As University is preparing for IInd cycle of accreditation, reduction in time required for declaration of results will be well taken of.

Placed before the Academic Council for information and ratification.

Resolution: Noted and ratified by the Academic Council.

25-3.34	<p>To report the Re-shuffling of Semester</p> <p>It is to mention that presently, University is following three academic calendars for students as follows:</p> <ol style="list-style-type: none"> 1. Academic Calendar for Students who were admitted in 2021-22 and are in 03rd Semester 2. Academic Calendar for Students who were admitted in 2020-21 and earlier and are in 6th, 08th and 10th Semester

3. Academic Calendar for Students who were admitted in 2022-23 and are in 1st Semester

As such, presently odd and even semester are running simultaneously during the time of commencement of even semester.

To streamline this overlapping, a proposal of re-shuffling of semester was discussed in the Dean's and HoDs meeting held on 20.12.2022 and accordingly Dean (Academic) has issued a circular no. CURAJ/Acad./2022/F.1./S.No. 506 dated 21.12.2022 for re-shuffling of semester stating that the students admitted in year 2022-23 may be taught the courses of 02nd semester of their programmes so that they can be accommodated with the students going to be admitted in year 2023-24 with their first year courses of the programme.

Placed before the Academic Council for information and ratification.

Discussion: During the meeting deliberations, it was informed that while some of the academic Departments/Schools re-shuffling the semester, there were some practical issues faced which were brought to the notice to the members, by Deans and Heads like combined activities will increase workload on faculty and burden of extra studies to the students also. This will create problems looking to the available/shortage of resources in Departments. Current AY/Semester admissions are already delayed. It was also suggested that the courses may be completed by arranging extra classes on fast track as deems necessary by Departments along with the on-going semester. It also emerged that decision of re-shuffling may be reverted.

Resolution: The Academic Council resolved that Dean (Academics) will exercise to come up with feasible solutions to cover up the lagging semester courses.

25-3.35 To report the increase in Intake

It is to mention that as per regular practice, the seat matrix for all programmes was circulated to all the Departments for confirmation before starting of admission process. The matter was discussed in the 80th Deans Committee meeting and Vice Chancellor instructed that all the Deans may deliberate at their school level and increase in intake of the programmes within available infrastructure and resources. The revised intake submitted by the departments was consolidated and approved by the competent authority. Admissions as per approved increase in intake have already been done. The programme wise revised intake is enclosed as **Annexure - W**.

The programme wise increase in intake is as below:

25-3.36 To report the condonation of attendance for End of Semester Examination held in October, 2022

It is to mention that various students have requested to waive off the condition of minimum 75% attendance for the forthcoming EoSE due to health and other related issues. In this context, it is submitted that on previous occasion due to COVID, the relaxation in attendance was given to all students. From February 2022 onwards, the campus was started in physical mode and attendance has to be regularized by the departments. However, there were issues from various students regarding less attendance so a meeting of Deans was called on 12.10.2022 to discuss this matter. During the meeting, Vice Chancellor had asked that as per clause 6.4 of Ordinance 03, during the semester, the interim attendance report of each course before the mid semester examination was notified by the HoDs or not. In response, it was informed that the department had not followed the procedure mentioned in Ordinance 03 regarding attendance.

Accordingly, it was resolved in the Deans Committee meeting that one time relaxation of attendance may be given to the students in the cases where attendance are less than 75% after submission of an undertaking to appear in EoSE in October and December, 2022, with no precedence. It was also further resolved that henceforth:

- (1) Attendance of students shall be displayed monthly.
- (2) Students shall be informed their attendance by e-mail per month.
- (3) Parents shall also be informed about attendance of ward per month.
- (4) Mid Term review and corrective measures are mandatory.

The Deans were also instructed to adhere to the procedure from the forthcoming semester.

Placed before the Academic Council for information and ratification.

Resolution: Noted and ratified by the Academic Council.

25-3.38	<p>To report the Adoption and implementation of the course "Universal Human Values" in all the Departments of Central University of Rajasthan</p> <p>The National Education Policy-2020 (NEP-2020) has given a call for holistic values-based education to prepare our youth and develop our Nation. "Education is fundamental for achieving full human potential, developing an equitable and just society, and promoting national development". University Grants Commission (UGC) proposed the inculcation of Human Value and Professional Ethics in higher education institutions. The guidelines regarding the same values, "Mulya Pravah" are available on the UGC portal. A committee was constituted by office order No.: CURAJ/R/F./136/2022/33 to prepare an action plan to fulfil the mandate of value education in our University. The committee after deliberations has recommended an action plan for the implementation of teaching Human values and Professional Ethics at the Central University of Rajasthan. In this regard, the University will conduct webinars/ seminars/ workshops and faculty development programmes on Human Values (UHV) and Professional Ethics for the teaching and non-teaching community of the university by active participation of the departments/schools/faculty members. All Departments should incorporate the "Universal Human Values" as compulsory course at both UG and PG levels. Both UGC and AICTE have suggested that all Higher education institutes adopt this program at UG and PG</p>

		<p>levels as a compulsory course. Later University may start a minor Degree course in Universal Human Values (UHV). Further, it is to mention that 10 faculty members of the university were trained by the AICTE on Universal Human Values and these faculty members will train other faculty members. The Committee has also recommended “University Human Values” to be a compulsory course for all the programmes as an audit course which should be cleared by all the students, however, this will not affect the credits of the programme.</p> <p>The Executive Council appreciated the proposal and approved the recommendation of the Committee.</p> <p>Placed before the Academic Council for information and ratification.</p> <p><u>Resolution:</u> Noted and ratified by the Academic Council.</p>

25-4.0

ITEMS FOR CONSIDERATION

25-4.1 To consider the Academic Calendar for the Session 2022-23

It is to mention that the office of Dean (Academics) had prepared Academic Calendar for the Academic Year 2022-23. The following Academic Calendars had been approved by the Chairman, Academic Council and same has been implemented and published on the University website.

- (a) For students admitted in Academic Year 2020-21 and earlier [**Annexure-Q**]
- (b) For the students admitted in Academic Year 2021-22 [**Annexure-R**]

Further, it is to mention that the Office of Dean (Academics) has also prepared Academic Calendar for the Academic Year 2022-23 (Odd and Even semesters) for the students admitting in Academic Session 2022-23. The Academic Calendar 2022-23 is enclosed as **Annexure-S**.

Placed before the Academic Council for consideration.

At the outset, there was a briefing by the Dean (Academics) on the proposed academic calendar for Academic year 2022-23 for the students admitted in Academic Year 2020-21 and 2021-22 placed before the Academic Council. Taking into consideration the affected students of Even and Odd semester, the members of the Academic Council were of the opinion that the proposed calendar needs to be revised for better implementation.

Resolution: The Academic Council resolved that academic calendar for academic year 2022-23 (even and odd semesters) for the students admitted in AY 2020-21 and 2021-22 be reviewed and authorized the Vice Chancellor to finalize the calendar for implementation.

25-4.2	<p>To consider the MoUs to be signed by the University</p> <p>It is to mention that the following MoU/MoA are to be signed/under process by the Central University of Rajasthan:</p> <ol style="list-style-type: none"> 1. MoU between CURAJ and University of Exeter, UK – to facilitate exchange of ideas/students/faculties, development of joint research projects and workshop/seminars in the area of Life Sciences, Engineering, Public Policy, Digital Society and other natural Sciences. 2. MoU between CURAJ and BVG Life Sciences Ltd., Pune – to facilitate exchange of ideas and work in development of joint research projects in the field of herbal medicines. 3. MoA between CURAJ and National Research Development Corporation, New Delhi - to provide financial support for developing assigned technologies 4. MoU between CURAJ and Heinrich Heine University, Dusseldorf, Germany - to promote co-operation in the fields of teaching and research between Heinrich Heine University Düsseldorf, Faculty of Mathematics and Natural Sciences/Biology, Institute of Botany and Central University of Rajasthan, School of Life Science, Department of Biochemistry. 5. MoU between CURAJ and Pratishta Industries, Banjara Hills, Hyderabad 6. MoU between CURAJ and Vaishnavi Biotech, Banjara Hills, Hyderabad 7. MoU between CURAJ and Tripura Biotech, Banjara Hills, Hyderabad <p>The purpose of signing of MoU at S.No. 5 to 7 - To recognize the mutual interest in the field of research, development, education and dissemination of knowledge on long term basis in the area of Biotechnology and related fields are committed to promote joint research activities and faculty and students exchange programs / activities.</p> <ol style="list-style-type: none"> 8. MoU between CURAJ and Space Physics Laboratory, Vikram Sarabhai Space Centre, ISRO, Trivandrum – To make measurement and modelling of atmospheric aerosols under ARFI <p>Placed before the Academic Council for consideration.</p> <p><u>Resolution:</u> The Academic Council appreciated the efforts put-in by the Vice Chancellor towards executing multiple MoUs/MoAs and approved the proposals for further implementation.</p>
25-4.3	<p>To consider the UGC (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022</p> <p>The University Grant Commission (UGC) vide its D.O. letter No. 1-3/2021(QIP/Ph.D. Regulations/Part file) dated 14.11.2022 issued UGC (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022. The regulations have been revised according to the recommendation of National Education Policy (NEP) 2020 and these are framed to encourage Research Scholars to become well trained researchers and inquisitive explores. The UGC has requested to all HEIs to initiate necessary steps to implement the new regulations for the award of Ph.D. The Gazette Notification dated 07.11.2022 of regulations are enclosed as [Annexure-T].</p> <p>Accordingly, the Ordinance 09 needs to be revised as per new regulations. It is proposed that ‘in-principal’ approval may be given and Chairman, Academic Council may be authorized to approve the revised Ordinance 09 and submit the same to Executive Council for approval.</p> <p>Placed before the Academic Council for consideration.</p>

	<p><u>Discussion:</u> During the meeting, certain points of new guidelines were discussed such as requirement of minimum publication by the scholar as the regulation is not mandating the same, it was suggested that minimum one publication should be made mandatory. Also the members were of opinion that as the scholar is required to go through teaching-learning mode, they will be allowed to assist in practical, tutorials or field work, but no scholar may be allowed to teach a regular course assigned to the faculty members.</p> <p><u>Resolution:</u> The Academic Council ‘in principle’ approved the proposal and authorized the Vice Chancellor to finalize the amendment/revision in the Ordinance No. 09. The Academic Council further recommended that the amended/revised Ordinance No. 09 be placed before the Executive Council.</p>
25-4.4	<p>To consider the UGC Public Notice on Curriculum and Credit Framework for undergraduate Programmes</p> <p>The University Grant Commission (UGC) vide its Public Notice No. F.No.:-1-1/2021/(QIP)(CBCS) dated 12.12.2022 issued Curriculum and Credit Framework for undergraduate Programmes. This has been revised keeping in view of National Education Policy (NEP) 2020 recommendation to instill Innovation and Flexibility in higher education. The UGC has requested to all HEIs to take necessary measures to adopt Curriculum and Credit Framework for undergraduate Programmes. The guidelines on the same are enclosed as Annexure-U.</p> <p>Accordingly, it is proposed to adopt these guidelines while initiating the proposal for Undergraduate programmes.</p> <p>Placed before the Academic Council for consideration.</p> <p><u>Resolution:</u> The Academic Council approved the proposal to adopt the UGC guidelines and authorized the Vice Chancellor for implementation.</p>
25-4.5	<p>To consider the amendment/revision in Ordinance No. 03 “Examination and Evaluation”</p> <ol style="list-style-type: none"> 1. It is to mention that it is proposed to change of nomenclature of End of Semester Examination (EoSE) as End Semester Examination (ESE) in Ordinance 03. 2. The University has adopted and implemented the Centralized Examination and Evaluation System. Accordingly, Ordinance 03 needs to be amended/ revised in accordance with the new system as and where applicable. 3. The curriculum of the courses run by the University is being revised as per the recommendation of NEP 2020. Accordingly, Ordinance 03 needs to be revised in accordance with the changes in curriculum as and where applicable. <p>It is proposed that ‘in-principal’ approval may be given and Chairman, Academic Council may be authorized to approve the revised Ordinance No. 03 on “Examination and Evaluation” and submit the same to Executive Council for approval.</p> <p>Placed before the Academic Council for consideration.</p> <p><u>Resolution:</u> The Academic Council ‘in principle’ approved the proposal and authorized the Vice Chancellor to finalize the amendment/revision in the Ordinance No. 03. The Academic Council further recommended that the amended/revised Ordinance No. 03 be placed before the Executive Council.</p>
25-4.6	<p>To consider the guidelines for the Utilization of various Funds</p>

	<p>It is to mention that University has constituted a committee of the following members vide its Office Order No. CURAJ/R/F.141/2022/2563 dated 11.10.2022:</p> <ol style="list-style-type: none"> 1. Prof. Neeraj Gupta, Dept. of Architecture – Chairman 2. Prof. D. C. Sharma, Dept. of Mathematics - Member 3. Prof. Nagendra Ambedkar Sole, Dept. of PPLG – Member 4. Mr. Santosh Kumar Srivastava, FO (I/c) – Member <p>The committee was constituted to prepare the guidelines for the utilization of funds available in the accounts mentioned below:</p> <ol style="list-style-type: none"> 1. Students Aid/Welfare Fund 2. Alumni Fund 3. Project Overhead Fund 4. Corpus Fund <p>The guidelines for the utilization of funds available in the account will be placed on table.</p> <p>Placed before the Academic Council for consideration.</p> <p><u>Discussion:</u> During the meeting, Prof D C Sharma apprised that various funds amount are lying with the university unutilized for long time. He briefed on the guidelines prepared for each fund and also mentioned that this is a layout on utilization of these funds on which the proper use of the funds can be done for betterment of the University and its stakeholders. The members suggested to utilize the amount for purpose like students welfare activities, to connect with alumni, organizing relevant activities and creating various infrastructural facilities/amenities for a better management of funds.</p> <p><u>Resolution:</u> The Academic Council considered the proposal and authorized the Vice chancellor to finalize the guidelines. It was further recommended that guidelines be placed before the Executive Council through Finance Committee.</p>
25-4.7	<p>To consider the guidelines for change of branch of B. Tech. students after 1st year (2nd Semester)</p> <p>It is to mention that University is presently running three branches of B. Tech. namely Computer Science & Engineering, Electronics & Communication Engineering and Biomedical Engineering. School of Engineering and Technology has received several requests from B.Tech. (Second Semester) students regarding change of branch after 1st year (2nd semester).</p> <p>Head-Department of Computer Science & Engineering, Head-Department of Biomedical Engineering, Head-Department of Electronics & Communication Engineering and Dean-School of Engineering & Technology has prepared guidelines for changing of branch by taking opinion of all faculty members. Prepared guidelines will be placed on table.</p> <p>Placed before the Academic Council for consideration.</p> <p><u>Discussion:</u> The proposal was discussed at length with pros and cons. While the Dean, School of engineering explained that the first year of curriculum is same and the student may be allowed to change the branch after first year, Hon’ble Vice Chancellor said that the curriculum of all B. Tech programmes must be designed uniquely from the first year itself. It emerged that looking to the core/courses studied in Engineering programmes in the 1st year and as also practiced at various other CFTIs like IITs, NITs etc., for similar reasons, it will not be practical to allow change of B.Tech. branch in 2nd year after studying the first year courses. It was also suggested that to fill-up the vacant seats (if any) in the 2nd year, lateral entry scheme for admission be considered.</p>

	<p><u>Resolution:</u> The Academic Council resolved that the change of Branch of B.Tech. in Second year is not a viable option. The Academic Council approved the lateral entry scheme for admission from Second year onwards as per AICTE norms. Further, it was also suggested that except common courses such as physics, chemistry and mathematics, branch specific courses shall be introduced from 1st year of the programme.</p>
25-4.8	<p>To consider the regulations/guidelines for implementation of National Education Policy 2020 (NEP-2020) prepared by the committee established.</p> <p>The NEP Cell was constituted at the University under the Chairmanship of Prof. Pawan Kumar Dadheech and the Sub-Committees were asked to plan/finalize initiatives and action plans for the implementation of the NEP 2020. Accordingly, each Sub Committee has prepared the guidelines for implementation of various aspects of NEP 2020. The guidelines prepared by the committee are enclosed as Annexure-V.</p> <p>Placed before the Academic Council for consideration.</p> <p>Discussion: Hon'ble Vice Chancellor appreciated the Committee Members and Sub Committee Members for the work done by them and apprised on the guidelines prepared. Each Committee Member briefed on the guidelines prepared and discussions were made on certain points which require revision and modification.</p> <p><u>Resolution:</u> The Academic Council considered the proposal and authorized the Vice Chancellor to finalize the guidelines.</p>
25-4.9	<p>To consider the extension of Non-NET Fellowship (Batch -2019)</p> <p>The research scholars (Batch - 2019) had completed 3 years of Non-NET fellowship in the Month of August, 2022 as per DOJ at the University. Non-NET fellowship is awarded for three years from the date of registration and extendable up to one year after recommendation of the DRC.</p> <p>Therefore, it is submitted that in-principle approval may be given for the extension of Non-NET fellowship from 3rd year to 4th year for 2019 batch Ph.D. students, subject to recommendations of DRC.</p> <p>Placed before the Academic Council for consideration.</p> <p><i>During discussion in the meeting, it was informed that Non-NET Fellowship has been paid to the eligible students upto November 2022. It also emerged that concerned Supervisor, Head of Department and Dean of the School be made responsible to audit the students to ensure timely disposal of the cases. Members suggested that the scholars must be motivated to clear the NET-JRF, CSIR, INSPIRE and such other fellowship schemes.</i></p> <p><u>Resolution:</u> The Academic Council resolved that research audit of all scholars be done by the Dean Research. The support from UGC may be sought for Non-NET fellowship for the extended period. The proposal was 'in principle' approved by the Academic Council.</p>
25-4.10	<p>To consider to co-opt the two members under the Statute 13(1)(vii) of Academic Council</p> <p>As per Statute 13(1) (viii), "Six persons not in the service of the University co-opted by the Academic Council for their special knowledge in educational progress and development", are to be the members of the Academic Council.</p>

As per the Statute 13(3), all members, other than *ex-officio*, shall hold office for a term of three years. As such, out of the six members under the Statute 13(1)(viii) currently in Academic Council, following two members have completed their term of three years :-

25-4.16 To consider the establishment of Digital Assessment Centre (DAC)

It is to mention that the responsibility of conducting examinations and evaluations were given to the individual departments which were leading to delay in declaration of results. Accordingly, to Streamline the procedure of examination and evaluation, a new system was introduced where in Controller of Examination was entrusted the responsibility of conducting centralized examination and evaluation.

For this evaluation, a Digital Assessment Centre (DAC) is being established in the University and space for the same is identified in the Ground Floor of Administrative Building. Purchase order for procurement of 50 Computers has already been placed and procurement of furniture for the same is under process.

Advantages of Digital Assessment Centre (DAC) are as follows:

1. The scanned copy of Answer Book, Question Paper & Model Answer is uploaded to Central Server Database.
2. Automatic allocation of answer book to Evaluator.
3. The evaluator will evaluate Answer Book with their own login and password.
4. Allocation of answer book is automatic in randomly to the evaluator.
5. Final marks will be automatically calculated & total as per paper pattern defined.
6. Student identity is hidden in exam hall through Barcode.
7. Accountability of Student, Answer Book & Pages/Answer Book.
8. Eliminate biased/unfair answer paper evaluation.
9. Long-time answer books storing and preservation is possible.

Placed before the Academic Council for consideration.

The efforts of the Vice Chancellor to establish a Digital Assessment Centre (DAC) in the University were appreciated by the Academic Council members. It was informed during the discussion that newly established Digital Assessment Centre will be useful in automation and

	<p><i>digitizing the examination evaluation process and will enable the University for timely declaration of results.</i></p> <p>Resolution: The Academic Council, while appreciating the efforts put-in by the Vice Chancellor, approved the proposal for establishing the Digital Assessment Centre.
