

Prof. Chandhi C. Mandal Research Laboratory

Research Scholar Profile, Department of Biochemistry, School of Life Sciences Central University of Rajasthan

Dr. ANKIT SHARMA

Doctoral Research Area:
Link between temperature,
cholesterol and cancer

Duration: *February 2013–
October 2018*

Current Status: Association with
LabRx Immunologic Therapeutics
Pvt Ltd., California, USA

Dr. TANU SHARMA

Doctoral Research Area:
Study on microcalcification
in cancer and its prevention

Duration: *November 2013–
June 2020*

Current Status: Post Doctoral
Research Scholar at Loyola Univ.
Illinois, USA

Previous Lab Members

Dr. SHREETAMA BANERJEE

Doctoral Research Area: Study on
cold induced zinc finger protein in
cancer

Duration: *September 2017–
January 2023*

Current Status: Post Doctoral
Research Scholar at UT Health
Sc. San Antonio, Texas, USA

Mr. KAUSHIK CHOWDHURY

Research Area: Prevention
strategy for breast cancer driven
bone metastasis

Duration: *February 2016–
September 2018*

Current Status: Doctoral
Research Scholar at
Academia Sinica, Taiwan

Mr. SURESH KUMAR

Research Area: Epigenetic
regulation on mutation prone
zone in cancer genome

Duration: *February 2013–
March 2016*

Current Status: Patent
Officer (Examiner of Patents
& Designs), New Delhi, India

Ms. POOJA YADAV

Research Area: Epigenetics and
cancer

Date of Joining: *August 2019*

Ms. SNEHA SONI

Research Area: Adipocyte and
cancer

Date of Joining: *August 2019*

Present Lab Members

Ms. SWETA H. MAKWANA

Research Area: Diabetes and
cancer

Date of Joining: *January 2021*

Mr. MANAS K. MAHAPATRA

Research Area: Zinc finger protein
and cancer

Date of Joining: *January 2021*

Ms. SHIVANI BANSAL

Research Area: Osteoblast-like
potential and cancer

Date of Joining: *September 2021*
